Re: Request for Site Access

Dear Mr. Ciavattieri:

I am writing to request permission to gain access to the CDF area of the New Bedford Harbor Superfund Site on Friday, October 6, 1989. It is our intention to walk the site to view it and the surrounding area. Since we are making arrangements with other staff to meet early that morning, I would appreciate your prompt response to this request.

I appreciate the efforts you make.

Very truly yours,

Richard J. Hughto, Ph.D., P.E.  
Vice President

Follow 10/5 w/ Rick -

- Can't make it 10/6.
- EPA prefers escorted tours inside the CDF;  
outside of fence OK unescorted.
- Reschedule at their/our schedules permit. *JS*
